Total Marks

## Instructions

- Use **black** ink or ball-point pen.
- **Fill in the boxes** at the top of this page with your name, centre number and candidate number.
- Answer **all** questions.
- Answer the questions in the spaces provided – *there may be more space than you need.*

## Information

- The total mark for this paper is 80.
- The marks for **each** question are shown in brackets – *use this as a guide as to how much time to spend on each question.*
- You may use a calculator.

## Advice

- Read each question carefully before you start to answer it.
- Try to answer every question.
- Check your answers if you have time at the end.

Pearson

Answer ALL questions.

SECTION A

Read the following extracts (A to B) before answering Question 1.

Write your answers in the spaces provided.

**Extract A**

**The Posh Pasty Company**

The Posh Pasty Company was set up in 2013 in the popular seaside town of Fowey by TV chef James Strawbridge and his wife Holly. Capital was raised through the crowd funding website [www.crowdfunder.co.uk](http://www.crowdfunder.co.uk). This enabled them to rent and equip a small factory. The Posh Pasty Company uses the highest quality local ingredients to manufacture several flavours of pasty. The pasties are sold and delivered to delicatessens and cafes across southern England.

5

Batch production is used in the factory to manufacture the pasties. In 2015, capacity utilisation was 92%. James and Holly regularly review the financial performance of each variety of pasty, by examining historical figures for sales revenue and total cost. This enables them to perform a variance analysis.

10

## SECTION B

Read the following extracts (C to D) before answering Question 2.

Write your answers in the spaces provided.

### Extract C

Selected information from Burberry plc's 2015 statement of comprehensive income

	£m
Revenue	2 523.2
Cost of sales	(757.7)
Other operating expenses	(1 325.2)
Operating profit	440.3

(Source: adapted from [http://www.burberryplc.com/documents/ar-1415/burberry\\_financial\\_statements\\_2014\\_15.pdf](http://www.burberryplc.com/documents/ar-1415/burberry_financial_statements_2014_15.pdf))

### Extract D

#### Burberry plc proposes a new £50m factory in Leeds

Burberry plc is a luxury fashion company that produces and retails high-quality clothes, leather goods and fashion accessories. These items are sold for premium prices, with a typical Burberry trench coat selling for £1 500. From 2018, this product will be manufactured in its new Leeds factory. This factory will replace two other factories in Yorkshire and will allow Burberry plc to improve productivity, resulting in waste minimisation. Using the latest technology, the new factory will be able to increase trench coat production by 300%. 5

The factory will use a Just in time (JIT) stock management system and will hold limited buffer stocks of raw materials. Burberry plc also intends to improve the training of its staff so that the effectiveness of its quality management increases. Burberry plc currently uses quality assurance to ensure that its products meet customer expectations. 10

## SECTION C

Read Extract E before answering Question 3.

Write your answer in the space provided.

### Extract E

#### Global demand increases for McLaren Ltd's supercars

Increased demand for £1m supercars in Asia and the Middle East has allowed McLaren Ltd to generate profits of £15m in 2015, an annual increase of 223%. McLaren Ltd makes high-performance sports cars, which it sells to wealthy individuals across the world. The company is based in Woking, Surrey and produces its cars in a high-technology factory which resembles a hospital, due to the high levels of cleanliness.

5

Lean production methods are used in the factory and its aim is to produce the perfect car with zero defects. It is this commitment to quality and giving the customer what they want which has allowed McLaren Ltd to gain a competitive advantage in the premium sports car market.

10

To maintain its competitive advantage in the premium sports car market, McLaren Ltd could increase its use of lean production methods or make the company more market orientated.

- 3 Evaluate these **two** options and recommend which option McLaren should use to maintain its competitive advantage.
